

# EXERCISE

Potential idea

1

A work starts from a conversation:

Who is your supportive peer or mentor?

2

## Local organisations and contacts

Research them, list them

3

Meeting, researching, working

Who do you trust?

Where do you research?

Where do you work?

RESEARCH KEY WORDS:

What are yours?

## 4

### Key elements while developing the work:

- Talking to the people you trust
- Looking for funding and applying
- Promoting the work and its progress

Where to look for funding?

What social channel you use for promotion?
